This is a unique opportunity for you to secure a leading-edge insight into the most topical workplace issues currently facing employers. The presenters are all well-known and respected lawyers advising exclusively in the area of HR law.

This is a participant-driven workshop, with a coaching and mentoring focus. We guarantee that no "death by PowerPoint" will occur in this workshop.

The presenters will actively engage workshop attendees through the use of extensive case studies and group discussion to maximise learning and to provide exceptional value for money.

Our aim will be to ensure that you return to your work environment with a deeper knowledge of contemporary HR legal issues and the confidence to apply that knowledge in day-to-day situations.
